# ADVANCING PHARMACY THROUGH EDUCATION IN BOSNIA AND HERZEGOVINA

INTRODUCTORY SYMPOSIUM ERASMUS+ CAPACITY  
BUILDING IN THE FIELD OF HIGHER EDUCATION  
(CBHE) PROJECT „INNOVATING QUALITY ASSESSMENT  
TOOLS FOR PHARMACY STUDIES IN BOSNIA AND  
HERZEGOVINA“ (IQPHARM)

With the support of the  
Erasmus+ Programme  
of the European Union

For the first time public faculties of pharmacy in Bosnia and Herzegovina are jointly committed to progress and change through participation in a unique European project aimed at improving the studies of pharmacy.

## SYMPOSIUM OBJECTIVES

1

Presentation of the ERASMUS+ Capacity Building in Higher Education (CBHE) project „*Innovating quality assessment tools for pharmacy studies in Bosnia and Herzegovina*“ (IQPharm)

2

Presentation of the results of analysis of the current state of education of Masters of Pharmacy in Bosnia and Herzegovina and in European Union and discussion of future development

3

Exchange of knowledge and experiences between eminent European and world experts and Masters of Pharmacy from academic and real sector of Bosnia and Herzegovina

4

Presentation of new tools for improving education in Bosnia and Herzegovina through the introduction of the "Knowledge Retention Evaluation Framework" (KREF) and "Objective Structured Clinical Examination" (OSCE).

5

Modernization and digitalization of management and administration of experiential education through development of a unique platform in Bosnia and Herzegovina.

We invite Masters of Pharmacy from the patient-facing practice and public sector, and future Masters of Pharmacy to accept our invitation to join and actively participate in the Symposium "Advancing Pharmacy through Education in Bosnia and Herzegovina".

Through an interactive symposium and dialogue between lecturers and participants, let's improve and raise the quality of study programs of pharmacy in Bosnia and Herzegovina together.
